

## In association with

## 'THE RAY' AWARD FOR THE PRESIDENTIAL AWARD WINNERS – 2012 APPLICATION

01. APPLICANT'S INFORMATION									
i.									
ii.									
iii.	Private Address:								
iv.	Telephone No.:	. Fax No.:	. Mobile No.						
٧.	Age:								
vi.									
vii.									
viii.									
	Name of the Employer	:							
	Designation	:							
	Address	:							
	Telephone No.	:							
	Fax No.	!							

## 02. PLEASE INDICATE THE CO-ORDINATOR'S NAME OF THE COMPANY/ ORGANIZATION AND STATE OTHERS NAMES IN A SEPARATE SHEET i. Coordinator's Name: ..... ..... ii. Address of the Company/ Organization: ..... iii. Telephone No. Fax No.: ..... . E-mail Address : ..... 03. DETAILS OF THE INVENTION/ INNOVATION HONOURED BY THE PRESIDENTIAL AWARD i. Name of the invention/ innovation: ..... State in Sinhala or Tamil: ii. Your Invention is relating to: 1 Agriculture 2 Chemistry 3 Medical **National Security** 4 5 Indigenous Medicine 6 Physics 7 Social Welfare Industrial & Technical 8 9 **Transport** 10 Art 11 Environment 12 Engineering iii. Size of the model/ invention (cm/ metre): ..... Patent No: ..... Date of Issue: ...../...../........../ Owner of the patent: Country/ Countries issuing patent: v. Summary of the Invention/ Innovation: State in Sinhala/ Tamil

	State in English
04. AD	DITIONAL INFORMATION ABOUT THE INVENTION
i.	Describe briefly the technological issue that you have attempted to resolve with your new invention?
ii.	State the percentage of the population negatively impacted due to your solution/ new invention (Eg. Disabled/Old)%
	Alternatively, can you state a figure or assume a figure?
iii.	State other mechanisms used to resolve the same issue?
	a
	b
	C
	d
	e
iv.	Describe the advantages of using your mechanism than existing mechanisms in resolving issues:
	a
	b
	C
	d
	e
v.	Have you made a model/ demonstration facility for your invention?  Yes  No
vi.	If yes, how much has it cost? Rs
	Identify the impacts to the environment from the mechanism/ invention?  Eg: Positive or negative impacts
vii	What is the estimated cost to improve your model to a completed product? Rs.
